Dear Sir:

We understand that the Cavalry has issued two medals, one for the best Cavalry Team and the other for the Best Shot. Is it possible for our Museum to obtain a specimen of each of these?

We have, as far as we know, a type of every medal issued by the Army, Navy and Marine Corps, and as you can readily realize we are most desirous of keeping this collection, which is on exhibition to the public, as complete as possible.

May I hope for a reply.

Yours very truly,

Curator.
